## • FAQ's

- **What is the cost for DNOW?**
  - The cost is \$70 per student, but if you are a host home you can send a student for free!
- **Is confidential financial assistance available?**
  - Yes, partial scholarships are available and based on need. All scholarships are confidential. Please contact [teria@churchonbayshore.org](mailto:teria@churchonbayshore.org) if you need assistance or have further questions.
- **How will groups be formed?**
  - Students will request to be placed with their friends for the weekend. Our team will work to honor requests and place students based on many factors including their schools and Life Groups. If you have a special request, you will need to make our team aware by contacting [teria@churchonbayshore.org](mailto:teria@churchonbayshore.org).
- **Where will my student stay for the weekend? Are these homes safe?**
  - Students will be staying in the home of a qualified and trusted adult who is a member at Church on Bayshore. All students will be together in a shared space and sleep in sleeping bags or air mattresses. Families that are hosting for the weekend are interviewed and go through extensive training to ensure the safety of your child for the weekend.
- **Who will be leading my student through Bible Study?**
  - Bible Studies college-aged leaders. Each college-aged leader is interviewed and submits an application. Once they are approved, they must follow our policy guidelines and time training at Bayshore leading into the weekend.
- **Will my student be allowed to drive?**
  - Students will be allowed to drive to their host home on Friday night and Sunday morning to the final worship service. Otherwise, students WILL NOT be allowed to drive during the weekend. Only adult leaders and approved drivers can drive students.
- **What if my student has food and/or pet allergies?**
  - Please indicate this on the student's registration. We will not place your student in a host home that cannot accommodate their allergy requests. If your student has a food allergy, please be sure to bring snacks that they can enjoy!
- **Will cell phones or technology be allowed?**
  - Students will not be allowed to bring their cell phones.
- **My student wants to bring a friend. Is that ok?**
  - YES! Please encourage your student to bring their friends. We will ensure that they are placed in your student's group and home for the entire weekend!
- **How can I, as a parent, invest in DNOW?**
  - There are a few ways you can serve.
    - You can host students in your home. Visit our website for registration and more information.
    - You can help with administrative and organizational tasks. Please email [teria@churchonbayshore.org](mailto:teria@churchonbayshore.org) for more information.
    - Join us in prayer that God would move radically in the lives of the Students in our community!
