Discipleship is a life-long, Holy Spirit-led process of becoming more like Jesus by surrendering to God's Word.

What is a Disciple of Jesus Christ?

- A person who is devoted to trusting and obeying Jesus, and committed to helping others trust and obey Him.

What does a disciple do?

- A disciple **follows Christ**; trusting in Him alone for salvation, worship Him Person, loving with their whole heart, imitating His life, and obeying His teaching; living dependently by abiding in Christ, walking in the Holy Spirit, meditating on the Word of God, engaging in prayer, and partnering with the body of Christ (local church) resulting in the transformation of the mind, the heart, and the life and **leads others to do the same** (Disciples others).

How does a Disciple make Disciples?

- Through **Evangelism**- sharing the Gospel of Jesus Christ with someone to help them know and trust Jesus as Lord and Savior through repentance and faith.
- Once a person is saved, they should be baptized - this is a public declaration of their decision to follow Jesus by identifying with His death, burial, and resurrection - which is what **Baptism** illustrates.
- Then, a believer/follower of Jesus Christ should mature in their faith walk **through Discipleship**.
- **Discipling** other believers
  - Intentionally helping others to mature in their faith and become more like Jesus.
  - Intentionally helping others to “Learn” and “Live” out the Principles, Precepts and Commandments of the Bible.
